A fax bulletin for the Molina Healthcare of Washington Provider Network

## Syphilis Screening

(Medicaid, Medicare, Marketplace)

Molina Healthcare of Washington (Molina) is writing you as a reminder, that we continue to see reported Syphilis cases particularly in rural areas of Washington, specifically maternal and congenital syphilis.

We would encourage providers to follow the Washington State Department of Health (DOH) Syphilis screening guidelines found here: [https://doh.wa.gov/sites/default/files/2022-05/150-163\\_Congenital\\_syphilis\\_letter\\_to\\_providers\\_5.12.2022.pdf?uid=6296633e49e6f](https://doh.wa.gov/sites/default/files/2022-05/150-163_Congenital_syphilis_letter_to_providers_5.12.2022.pdf?uid=6296633e49e6f).

Molina would also like to share prevention reporting guidelines as it relates to Syphilis and other communicable disease. Please refer to the DOH website for additional information and resources:
