## Prior Authorization Change Effective January 1, 2021

Effective January 1, 2021, requirements for Prior Authorization with Molina Healthcare of Washington will change for several CPT and HCPCS codes. Changes will affect both the Medicaid and Marketplace lines of business. Currently, the codes do not require Prior Authorization. Molina will require submission of a request for both participating and non-participating providers for claims submitted for any place of service (except the emergency room setting). This change applies to dates of service January 1, 2021 and ongoing.
