

Availity Features (Medicaid, Medicare & Marketplace)

Molina Healthcare is excited to share the many great features that are available to providers when using Availity.

Feature Highlights:

- **Eligibility & Benefits**
 - Easy access to patient eligibility and benefits information including COB status
 - Check HEDIS® gaps or missed services with care reminders
- **Claims & Remits**
 - View claims status, electronic remittance advices, and open enrollment documents
 - Enter and submit professional and institutional/facility claims online
 - Attach medical documents to any claim in Availity
- **Secure Messaging**
 - Connect with Molina agents to resolve eligibility, benefits and claim inquiries
- **PayerSpaces**
 - Download documents and get useful Molina Health Plan links
 - Access features not yet available in the Availity portal through PayerSpaces

Applications such as:

 - View PCP member rosters and patient health records
 - Appeal, dispute or correct a claim
 - Create templates for easier claims submissions
 - Check your HEDIS® profile for reporting on patients' missed measures/gaps
 - Run and retrieve health plan specific reports

Registered with Availity?

Registering your organization is easy and free. Your organization's administrator should register at:

<https://availity.com/molinahealthcare>

Getting Started:

Once you are registered with Availity, ask your administrator for the eligibility and benefits, claim status, medical attachments and messaging roles. You can always visit the Availity Learning Center for training opportunities.
