

Provider Newsflash

A fax bulletin for the Molina Healthcare of Washington Provider Network

Availity Essentials Migration Schedule Change/Update (Medicaid, Medicare, Marketplace)

As per previous communication, Molina Healthcare had scheduled all providers to migrate to Availity Essentials starting March 28. Given various levels of provider readiness, we have decided to migrate one set of states each month rather than migrate all providers at once. **You are receiving this communication because Washington will not be migrating in March 2023 as originally planned.** We will provide an update on migration timing next month.

While the scheduled migration and sunsetting of direct access to the Molina Legacy Provider Portal will not occur this month, we encourage all providers to begin using Availity as soon as is convenient, to help limit the risk of issues arising once direct login access to the Molina Legacy Provider Portal has been removed.

If you are not yet registered on Availity, please do so as soon as possible. Registering your organization is easy and free. Your organization's administrator can register at <https://availity.com/molinahealthcare>. For registration issues, call Availity Client Services at **(800) AVAILITY (282-4548)**. Assistance is available Monday-Friday 8 a.m. to 8 p.m. ET.

Thank you for your patience and for your partnership!
